

# GOURMET MUSHROOM FARM

Manufactured locally since 2020, FarmBox Foods' Gourmet Mushroom Farm allows you to complete the entire mushroom cultivation process in a 320-square foot controlled-climate, upcycled shipping container. You can cultivate mushrooms year-round to sell to restaurants, partner with wholesalers, or sell directly in a retail setting.

## THE STATS

- ✓ 400+ lbs/week yield
- ✓ 25 gallons/day, approx.
- ✓ 18+ varieties grown
- ✓ 35-40 hrs labor/week
- ✓ Entire cultivation process in 320 square feet
- ✓ Pre-inoculated substrate blocks and compost

## FIRST OF ITS KIND

FarmBox Foods is the first company on the market to create a gourmet mushroom farm that incorporates the entire cultivation process from start to finish. Cutting-edge technology meets centuries-old wisdom.
